School & Charitable Program

Let's work together on your fundraising efforts.

We are the Wilkes-Barre/Scranton Knights, a local hockey program based out of the Revolution Ice Centre in Pittston, Pennsylvania. For many years, the Knights have partnered with local schools and charities to help teach our young athletes how to give back to our local community while raising money for their organizations and to increase public awareness of ice skating and hockey here in Northeastern PA. The Knights have proudly partnered with NEPA organizations such as The Boy Scouts, Ronald McDonald House, and Griffin Pond Animal Shelter to name a few.

The Knights Hockey program is nationally sanctioned and serves as a training ground for talented hockey players to advance their careers to the collegiate and even professional level. Our coaches and players serve as excellent role models and motivators for our area's youth. We offer two programs for local fundraising efforts:

School Programs

Knights team members will come to your elementary or high school and introduce the game of hockey to your students through presentations and a floor hockey exhibition. These exhibitions transcend hockey - they are life lessons as your students witness the perseverance and work ethic of local, talented, and dedicated youth pursuing their dreams. Students will hear stories of challenge and triumph; of overcoming adversity; of teamwork and selflessness. All will in some way be touched, all will in some way see their own horizons broadened, and all will witness how hard work can propel them to be the best person they can be. In addition, we will provide 200 game tickets for a Knights home game to your school to sell for $10 per ticket, with proceeds to be split 50/50 with your school.

Charities

Applications are accepted by Revolution Ice Centre for ***501(c)3*** charities at info@revolutionicecentre.com If your charity is accepted, we will designate a Knights home game for your organization. We will provide 200 game tickets for a Knights home game to your charity to sell for $10 per ticket, with proceeds to be split 50/50 with your charity. Also, the Knights will wear custom game jerseys (1) with your charity logo imprinted on the jerseys and these jerseys will be auctioned off before the game. All proceeds from the auction will go to your charity.

(1) Please note, when you choose to accept a Knights home game for your charity, it takes 6-8 weeks to get a custom jersey made after the design of the jersey is created and approved by the charity and the Knights. We ask that the charity provide a sponsor to cover the costs of the jerseys.
